

NVC Concession Training Information

Requirements

Volunteers who participated last year are not required to undergo training again this year. Volunteers who did not undergo training will need to participate in a training session at the stadium prior to the event which they are staffing.

Sign Up

Registration will be required to participate in the training sessions. Please indicate that you are planning on attending a training session using the online system or via email or phone 72 hours prior to the training session. If you are unable to indicate your training intentions 72 hours prior to the training session, please call to confirm that you are on the training list. Stadium staff will turn away any volunteers not only the list which we provide 72 hours prior to the training session.

What to Bring

Please have a clear idea of what job you plan on doing at the stadium before arrival. Bring a picture ID.

Arrival

Training will begin promptly at the scheduled time. No one will be admitted entrance once class begins as a courtesy to the trainers and trainees. Allow plenty of time for traffic, parking, and unforeseen circumstances. Everyone will enter the stadium at the administrative entrance which is located just East of the ticket windows, between entrance #2 & #3. Look for the 2 flag poles.

Parking

Parking will be in the Red North Preferred lot (see map). Entrance is located off of 95th Avenue, between Bethany Road and Maryland Avenue.
